Performing regular maintenance on your equipment is the most efficient and cost effective way to minimize costly downtime in your facility. Conveyor Handling Company (CHC), available for 24/7/365 on-call service and preventative maintenance, offers comprehensive service, repair capabilities, and preventative maintenance locally and regionally.

With our headquarters located between Baltimore, MD and Washington, DC and offices in Maryland, Pennsylvania, and North Carolina, Conveyor Handling Company will service, maintain, and repair dock levelers, scissor lifts, conveyors,

Pflow lifts as well as balers, compactors, and hydraulics (pumps and hoses).

One of the benefits to utilizing CHC's services is the mechanical and electrical troubleshooting abilities of our factory trained service technicians. Partnering with material handling manufacturers allows CHC to successfully maintain equipment in virtually every aspect of the industry; maintaining an extensive parts inventory for most conveyor brands and warehouse equipment manufacturers for those unexpected needs.

For more information on CHC's service capabilities or a preventative maintenance plan, contact George Foy, Director of Service Operations, at 443-561-3030 or email [gfoy@conveyorhandling.com](mailto:gfoy@conveyorhandling.com).
