Industrial Power Transmission (IPT) is an industrial supplier and distributor of bearings, power transmission, material handling and conveyor belts in the Baltimore/DC Metro area. IPT offers its customers the ease of dealing with one company to handle all of your industrial needs by providing quality service and a quick response time. Their fully stocked warehouses of core products including electric motors, gearboxes, roller chain, sprockets, V-belts, and ball and mounted bearings will help to reduce downtime and ensure that you have products to properly maintain your operation.

IPT prides itself on the ability to troubleshoot problems, and evaluate and develop solutions to best suit your power transmission needs, focusing on customer cost effective solutions to help you run more efficiently. As a commitment to ongoing education and training, IPT also offers in-house and on-site training for bearing maintenance variable frequency drives, and gearboxes.

For more information on your industrial power transmission needs, please contact Carl Del Gallo at 410-379-8093 or email cdelgallo@industrialpowertrans.com.
