Facility Lighting Solutions, a division of Conveyor Handling Company, Inc., has partnered with EcoZohm LED to provide the highest quality and most efficient LED industrial lights on the market. EcoZohm's MaxGreen Series LED lights have been specifically engineered to help industrial buildings reduce electrical consumption and virtually eliminate lighting maintenance costs.

The latest addition of lights to the MaxGreen line is the MG-MHB LED High Bay series of lights, utilizing the newest LED chip technology available on the market. The MHB series is 30-40% more efficient than more other LED lights on the market.

For more information on Facility Lighting Solutions' LED industrial lights or to request an energy analysis of your distribution facility, contact Alan Carey, Vice President of Sales, at 443-561-3021 or email [info@conveyorhandling.com](mailto:info@conveyorhandling.com).
